

**Got a reflexology related query? If you are a Full, Fellow or Associate member, the AoR is here to help!**

Stuck on a problem about a client's condition? Not sure whether to treat? Not sure how to treat?

Our Reflexology Support Manager has the answer! Based in the Taunton office for an average of 4 ½ days per week, Tracey Smith is not only a very experienced and skilled reflexologist – she has a solid foundation of experience in research as well. Tracey is more than willing to share the nuggets of wisdom she has gained over her reflexology career, providing straightforward and honest advice wherever possible. You will often find that your conversations with her will be reassuring, informative and helpful in finding a solution to the problem.
